

JOURNAL OF THE FLORIDA SENATE

Monday, May 21, 1973

Barron	Graham	Peterson	Ware
Brantley	Gruber	Pettigrew	Weber
Childers	Henderson	Plante	Williams
Deeb	Johnson	Saunders	Wilson
de la Parte	Johnston	Sims	Winn
Firestone	Lane (31st)	Smathers	Zinkil
Gallen	Lane (23rd)	Stolzenburg	
Gillespie	Lewis	Sykes	
Glisson	McClain	Trask	

Excused: Senators Poston until 2:30 p.m. and Saylor until 3:00 p.m.

Prayer by the Senate Chaplain, Dr. Robert M. McMillan:

Our Father, the momentum of these remaining days of the Senate will place us under added pressures. We, therefore, especially ask thee for patience under tension: calmness against any rising tides of emotion: humility when our cause succeeds and dignity if it fails.

Grant us respect for each other's opinions and reverence for each other's convictions and the insight to recognize the difference between the two.

So bless our activities together and our fellowship in government.

In the name of our Lord we pray. Amen.

The Senate pledged allegiance to the flag of the United States of America.

ADVISORY OPINIONS

Advisory Opinion 1—Relating to the filing of lobbyist expenditures with the Secretary of the Senate pursuant to Rule 9.5:

Whether Rule 9.5 relating to lobbyists requires the disclosure of all lobbyist expenses, or the disclosure of those expenses attributable only to lobby activities in the Senate.

The answer to the foregoing question is found in the provisions of Rule 9.1 and 9.5 of the Rules of the Senate.

Rule 9.5 of the Rules of the Senate provides in pertinent part as follows:

"A lobbyist shall submit to the Secretary of the Senate within thirty (30) days following a regular session of the legislature a signed and certified statement listing all lobbying expenditures and sources from which funds for making such expenditures have come...."

Further, Rule 9.1 of the Rules of the Senate provides in pertinent part as follows:

"All persons, except members of the Florida Legislature, or duly authorized aides designated in writing by such members, who seek to encourage the passage, defeat, or modification of any legislation in the Senate or before its committees shall, before engaging in such activity, register with the Secretary of the Senate...."

From an examination of the provisions of Rule 9.1, above quoted, it would appear that it was intended that Rule 9 in its entirety would apply only to activities of lobbyists in or as concerns the Senate.

In light of this it is the opinion of the Committee on Rules and Calendar that the above-quoted provisions of Rule 9.5 requires only the disclosure of all "lobbying expenditures and sources from which funds for making such expenditures have come" as concerns or involves the Senate.

It is pointed out that similar rules applicable to the House of Representatives are so construed by that body.

This being the case, the intent of these rules is satisfied by providing a source from which the public can determine the total of such expenditures and the source of same.

Advisory Opinion 2—Relating to registration of lobbyist with the Secretary of the Senate pursuant to Rule 9.1:

"Whether or not a person holding this office of vice president of an association of residents of Florida with a mutuality of interest whose duties require him to 'encourage the passage, defeat, or modification of proposed legislation' must register pursuant to Rule 9 of the Senate Rules?"

The answer to the foregoing question is found in the provisions of Rule 9.1 of the Rules of the Senate.

Rule 9.1 of the Senate Rules provides as follows:

"9.1—All persons, except members of the Florida Legislature, or duly authorized aides designated in writing by such members, who seek to encourage the passage, defeat, or modification of any legislation in the Senate or before its committees shall, before engaging in such activity, register with the Secretary of the Senate. Every registrant, in accordance herewith, shall also be required to state the extent of any direct business association or partnership with any current member of the Legislature."

An examination of the request for opinion reflects the following:

"4. My duties as the legislative vice president will require me to contact members of the Senate and House of Representatives to encourage the passage, defeat, or modification of proposed legislation. This undoubtedly will be done on a continuous basis by personal contacts, telephone call, or by letters addressed to committees and individual members of the Senate and House.

5. I will not receive any monetary compensation for such services other than reasonable expenses while in Tallahassee and travel expenses from my home in Pompano Beach to and from Tallahassee."

From an examination of the above quoted rule as well as the contents of the subject letter, it is the opinion of the Committee on Rules and Calendar that the party involved must register pursuant to the provisions of Rule 9.1 notwithstanding the fact that he does not receive any compensation for his services.

Explanation of Vote

I cast a negative vote on SB 1343 because I sincerely feel that it will lead to additional taxes in the immediate future.

In 1967-68 the budget in Florida for 2 years was less than 1 billion. This bill today is a 100% increase for a one year period and a 20% increase from last year.

Although there are many favorable portions of the bill which I support and endorse, I cannot in good faith vote for a bill, which is almost certain to lead to additional taxes on the people.

My negative vote represents a conservative and fiscally sound approach in the handling of the affairs of the great State of Florida.

James A. Johnston, 2nd District
